	Unit	Data
<b>Appearance</b>	/	White Powder
<b>Oil Absorption DBP</b>	g/100g	< 60
<b>Particle Size (Malvern)</b>	μm	2.8~3.2
Density	-	2.5±0.3
<b>pH</b>	/	6~8
Surface Treatment	/	Special treatment

### Using Methods

Mix with binder, accessories, additive, solvent, and be dispersed while using.

### Packaging:

Double deck paper bag.

25 kg/ bag

10 t/ 20' FTP

### Storage:

Stored in dry and ventilated place.

Guarantee period is one year.
